SOCIAL MEDIA

Many people are hurting, lost, out of faith, or feeling helpless.

Sometimes our posts are the encouragement and inspiration they need at just the right time. Almost every day we get comments like this: **“This is just what I needed to see right now.”**

We’ve seen people come to know Jesus, we’ve seen others reconnect with Jesus, through our social media posts.

We’re *sharing the Gospel* through the ever-changing channel of social media!
